## ABOUT US

Mophane Construction and Projects (MCP), is a Black Owned Close Corporation founded on 21 April 2008, by its sole Director Matthews Ntobong.

With his expertise in all spheres of Construction, Matthews, from the onset steered MCP to successfully provide excellent services to various clients in the Gauteng area. This included small and large scale construction, repair and alteration projects, ranging from residential, commercial and government sectors.

Our efficient, well trained team of professionals and artisans, as well as our internal quality assurance processes, ensure that all our projects meet customer requirements and specifications to perfection.

## MISSION

Mophane Construction Mophane Construction and Projects (MCP), is to promote Construction, Property Development and Investment amongst the previously disadvantaged communities and encourage their participation in construction and property markets and add value to the prosperity of South Africa.

## VISION

Mophane Construction and Projects (MCP), aims to grow and sustain our company in the construction sector by continuing to provide the most valuable services to our clients, while expanding our operations nationwide and creating wealth and growth for all stake holders.

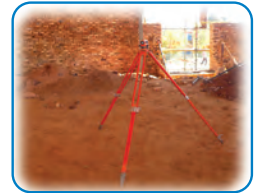

## DIRECTOR & FOUNDER

Mophane Construction, a product of Soweto, had a passion for construction all his life. It this same passion that inspired him pursue a career in construction and which led him to acquire an array of qualifications and skills necessary to excel in this sector.

With over 16 years of valuable experience gained in construction, after matriculating, Matthews also acquired numerous qualifications - Certificate in Building & Plastering, Certificate in Property Practitioner NQ Level 4, Certificate in Small Builder Development, Certificate in General Office Practice, Certificate in Advance Micro Computing and is embarking on furthering his existing qualifications.

Besides being the founder of Mophane Construction and Projects (MCP), Matthews oversees the administrative part of the business, as well as on-site operations, to ensure that each project is executed according to client specifications, quality and safety standards, excellent workmanship and that deadlines are met.

Matthews guarantees every client his personal attention, from the bidding and quoting processes, up to the perfect completion of each project.
